Terminology for Contents of Plans

- Sections (X, Y) = vertical cross section of ships hull with X number in plan with Y indicating if it is a full section or half section
i.e. "Section (9, half)" indicates 9 half sections are included in the plan.
- Upper decks = Individual top views of each external upper deck
- Body Plan = multiple vertical sections of ships hull.
- Lines Plan = Body Plan (vertical sections), Sheer Plan (side view horizontal sections) and Half Breadth Plan (bottom view horizontal sections)
